

Veterinarian (Southern Mobile)

About Soi Dog Foundation:

Soi Dog Foundation is the largest animal welfare organisation in Asia dedicated to helping stray dogs and cats. Soi Dog Foundation sterilises, vaccinates, administers medical treatment, shelters, promotes adoption of stray dogs and cats in Thailand, and runs education programmes on animal welfare. Soi Dog Foundation is also actively working to end Asia's dog and cat meat trade.

Soi Dog's Mission Statement is: **"To improve the welfare of dogs and cats in Asia, resulting in better lives for both the animal and human communities, to create a society without homeless animals, and to ultimately end animal cruelty"**. Its core values are compassion, honesty, integrity and transparency.

JOB DESCRIPTION

Job Title and Summary: This Veterinary Surgeon (Southern Mobile) will work under the guidance of the Southern Mobile Veterinary Manager and will travel with the Mobile Clinic around Thailand, performing mass sterilisations of free roaming dogs and cats. The vet will be trained in high-volume, high-quality spay/ neuter in Bangkok & Chachoengsao (3 months training) and then will be prepared to be stationed anywhere in Thailand. This vet will also perform ancillary soft-tissue procedures, treat sick and injured dogs and cats, and communicate with the public regarding importance of sterilisation.

Key Responsibilities:

- Perform safe, sterile and humane sterilisations on male and female free-roaming dogs and cats.
- Follow Soi Dog Foundation protocols and policies are being followed, working to the highest possible medical standards.
- Meet daily target of minimum 20 dogs sterilised per vet per day (after 3 months' training period).
- Observe, analyse and solve daily problems at mobile clinic daily.
- Communicate with community, dog feeders and owners regarding responsible pet ownership and the importance of sterilisation.
- Perform ancillary soft-tissue procedures, treat sick and injured dogs and cats when there is necessity
- Manage emergencies and post-op complication cases as they present to the clinic.
- Perform euthanasia and terminate pregnancies when warranted.
- As part of the Soi Dog team, be available to help as needed, even with tasks that are outside of the job description.

Department and Supervisor: The position will be a part of CNVR Southern Mobile Team and report to Southern Mobile Veterinary Manager.

Skills and Qualifications:

- Must have a Doctor of Veterinary Medicine degree and valid license to practice veterinary medicine in Thailand.
- Work experience at least 1 year (Salary start 40,000 THB and will rise after complete probation 3 months) or fresh graduate (Salary start 30,000 THB+ housing allowance 5,000 THB (6 months) and salary will rise when work complete 6 months and 1 year)
- Must be willing to train in high-volume, high-quality spay/ neuter.
- Passionate about animal welfare and willing to learn.
- Fair English communication skills and must work well with a diverse staff.

Location: Training in Bangkok first months and Chachoengsao 2 months, then could be stationed all over Thailand. Currently Southern Mobile Clinic is stationed in Southern province such as Nakhon Si Thammarat, Suratthani , Songkhla and Satun province.

Type of Employment: Full time position.

Benefits:

- For Southern Mobile Team will work 20 days in each round (work on Mon-Sat and off on Sun, 8 hours per days) and after working complete 20 days will off 5 consecutive days.
- 19 annual holidays (including Thai National Holidays 13 days) rising to 25 days with year of service
- Annual Salary Adjustment
- Annual Service bonus
- Social Security
- Provident Fund
- Housing Loan with GHB
- Uniform
- Training
