

SOI DOG FOUNDATION

SENIOR VIDEO EDITOR - JOB DESCRIPTION

About Us

Soi Dog Foundation is the largest animal welfare organisation in Asia dedicated to helping stray dogs and cats. Soi Dog Foundation sterilises, vaccinates, administers medical treatment, shelters, promotes the adoption of stray dogs and cats in Thailand, and runs education programmes on animal welfare. Soi Dog Foundation is also actively working to end the Asia dog and cat meat trade.

Soi Dog's Mission Statement is: **"To improve the welfare of dogs and cats in Asia, resulting in better lives for both the animal and human communities, to create a society without homeless animals, and to ultimately end animal cruelty"**. Its core values are compassion, honesty, integrity and transparency.

Job Title and Summary: *Senior Video Editor*

As a Senior Video Editor, you become part of the Visual Creative team and be a vital part of delivering well produced short- and longform videos for Soi Dog's social media platforms by visualizing and sharing ideas, storyboarding exciting upcoming video ideas, challenging your creative thoughts through your way of editing videos and assisting the team and various departments optimizing their video content.

You will be working together with Visual Creatives' photo-, videographers and designers, Fundraising and Marketing teams who will be responsible for providing you with briefs and guidance on content requirements.

Key Responsibilities:

Video editing and Storyboarding

- Edit engaging videos with motion graphics, sound design and captions, and make sure they resonate with the targeted audience and media platform.
- Visualize, share, storyboard and supervise ideas for upcoming video projects together with team members and from other departments.
- Provide guidance on video editing to other members of the team.
- Staying updated in the latest advancements and trends within the world of video editing

Project and Time management

- Manage multiple projects simultaneously while meeting deadlines.
- Handling and organizing raw and edited video files
- Ensuring organised folder structures and project files.

Skills and Experience:

Essential:

- 2 or more years of experience with video editing
- Have exceptional written English skills as well as verbal
- Advanced knowledge on video editing
- Advanced experience within the Adobe Creative Suite (For Mobile and Desktop)
- Experienced in both social media and long form content
- Experience with colour correction and grading
- Experience in storytelling
- A creative vision
- Ability to communicate with all internal organisational departments and team members
- Ability to prioritise and organise workload under changing deadlines

Desirable:

- Experience with Motion Graphic Design
- Experience with Audio Design
- Knowledge of the animal welfare sector

What we are looking for in you:

- Highly motivated and comfortable in a fast-paced working environment
- A friendly, outgoing person who is an excellent communicator
- A creative thinker, who enjoys sharing ideas
- Naturally inquisitive and innovative
- Ready to adapt within an ever-changing environment in the digital industry
- Keen on researching to always improve efficiency and creativity

Department and Supervisor:

This position reports to the Visual Creative Services Manager.

Location:

Fixed base: Soi Dog Foundation, Mai Khao, Phuket, Thailand.

Type of Employment:

This position is a permanent, full-time position

Additional Information:

- 19 annual holidays (including 13 day of Thai National Holidays) rising annually on an incremental scale
- Annual Salary Adjustment
- Social Security
- Provident Fund
- Uniform provided
- Visa and work permit (for foreign national only)

To Apply Please send your CV and a cover letter detailing your suitability for this role to hr@soidog.org Short-listed candidates will be notified by email.
